

COVID-19 Cleaning Procedures

These procedures are to be undertaken over and above the standard cleaning measures in place as part of the hire agreement, such as sweeping / mopping / tidying / general cleaning.

It is required that you undertake the following cleaning after using the venue to ensure that it is hygienic and uncontaminated for future users and staff.

Please use products supplied by GBCH

Use Gloves and disposable cloths to undertake cleaning procedures outlined below.

Door Handles & Light Switches	Wiped clean with meths solution
Tables chairs hard surfaces and bench tops	Wiped clean with bleach solution
Tapware and bathroom surfaces	Cleaned with bleach solution
Rubbish	All cleaning cloths / gloves are disposed of into the rubbish

The GBCH staff will be carrying out daily sanitizing of surfaces, however each group must be responsible for cleaning after use.
